- Other

SIGNS YOU ARE STRESSED

You know you're stressed if.....

1. You eat standing up.
2. You forget what day it is...
3. Your friends greet you, "Hey stranger!"
4. You're always tired.
5. You do three things at once; you don't finish any of them.
6. You snap at others.

SIGNS YOU ARE STRESSED

CONTINUED

7. You can't sleep or eat.
8. Nothing seems fun anymore.
9. You're never / always alone.
10. You cry at the drop of a hat.
11. People keep asking, "Are you okay?"
12. You wonder if you are okay.

TIPS TO RELIEVE STRESS

- Allow plenty of time
- Exercise and breathe deeply
- Get plenty of rest and eat well
- Discuss your problems with a friend, family member or trusted person
- When stress hits big, take a time out
- Change your negative thoughts
- Ask for help

MANAGING YOUR STRESS

Slow down

- Find something to make you laugh
- Be a kid for a couple of minutes
- Listen to music
- Have a bath

MANAGING YOUR STRESS

CONTINUED

Exercise

- Moves bad chemicals out of your body
